DCI SECURITY COMMITTEE  
MONTHLY ACTIVITIES REPORT  
FEBRUARY 1979

1. A Committee staff member briefed Navy SeaBees who will be concerned with security during construction of the new U.S. Embassy in Moscow. [REDACTED]

25X1

2. The Committee staff initiated a Community review of departmental practices in handling and safeguarding especially sensitive CIA documents disseminated subject to [REDACTED] controls. (C)

3. The Committee's Security Awareness Working Group is developing a security orientation for senior officials. The objective is a topical briefing in modular element form on essential aspects of security, together with a package of visual aids and background for use by the briefers. (FOUO)

4. A Committee staff member continued to assist in joint CIA-Justice-Administrative Office of the U.S. Courts efforts to develop mutually acceptable security procedures to be approved by the Chief Justice for use by the Foreign Intelligence Surveillance Court established by Public Law 95-511. (FOUO)

5. The Committee continues to provide support to the NFIB Working Group on Compartmentation chaired by [REDACTED] Special Assistant to the DCI. The Security Committee Executive Secretary serves as security advisor to this group and two SECOM staff members chair subordinate working groups on functional topics. One of those groups is drafting manuals for government and industrial use in administering the proposed new compartmented security system. The other is reviewing personnel security standards for access to foreign intelligence information to determine needs for revision, particularly in the case of presently compartmented data which may be released at the collateral level under the proposed new system. (FOUO)
